Education

2014-2019

Ph.D in Biological Sciences (Ecology)

National Autonomous University of Mexico (UNAM), Mexico.

Mention of honor award.

Dissertation: "*Primate responses to landscape structure in anthropic landscapes*"

Advisor: Dr. Víctor Arroyo-Rodríguez.

2012-2014

M.Sc. in Primatology

University of Barcelona (UB), Spain.

Dissertation: "*Geographic Information System analysis of the fragmented habitat of howler monkeys (Alouatta palliata mexicana) in the Volcán de San Martín (Los Tuxtlas)*"

Highest grade of the entire master's program for the year (9.75 score)

Advisor: Dr. Joaquim Veà Baró.

2008-2012 **B.Sc. in Psychology**
University of Barcelona (UB), Spain.

Job experience

July 2022-(currently) **Postdoctoral researcher**
Geomatics and Landscape Ecology Lab (GLEL), Carleton University, Canada.
Advisor: Dr. Lenore Fahrig.
Full time.

February 2020-February 2022 **Postdoctoral researcher**
Universidad Nacional Autónoma de México (UNAM), Mexico.
Advisor: Dr. Fernando Antonio Rosete-Vergés.
Full time.

January 2020 **Accepted as a postdoctoral researcher**
Northwest University, Xi'An, China.
Advisor: Dr. Songtao Guo and Dr. Colin Chapman.
Full time.
The postdoctoral position was cancelled due to the COVID-19 pandemic.

July 2019-October 2019 **Geographic Information Systems technician**
Cyient Europe Ltd. Reading, United Kingdom.
Full time.

Research stays

February 2021-February 2022 **Instituto de Ecología, INECOL**
Evolutionary Macroecology Lab, Xalapa, Mexico.
Principal Investigator: Dr. Fabricio Villalobos.
Project: *"Assessing the global impact of landscape structure and its predictors on primates"*.

January 2018-June 2018 **Imperial College London**
Silwood Park, Berkshire, United Kingdom.
Principal Investigator: Dr. Robert Ewers.
Project: *"Primate responses to landscape structure in anthropic landscapes"*.

Academic fellowships

2020-2022	Postdoctoral fellowship. DGAPA. Dirección General de Asuntos del Personal Académico, National Autonomous University of Mexico (UNAM).
2014-2019	CONACyT scholarship (project 2015-253946) for “ <i>Primate responses to land use change in anthropic landscapes</i> ”.
2013-2014	CCiT fellowship. Scientific and Technologic Centers. University of Barcelona, Spain.
2012	ERASMUS fellowship. European Union.
2010-2013	APRELS fellowship (SGR 2009-830). University of Barcelona, Spain.

Students’ supervision

May 2024- December 2024	Visiting MSc student: Zilva van Rossum. MSc in University of Amsterdam, Netherlands. Project: “ <i>Assessing the effect of landscape quality and heterogeneity on the Glanville fritillary butterfly genetics</i> ”. Role: Advisor.
January 2024- July 2024	Visiting MSc student: Thomas Beard. MSc in Université de Franche-Comté. Project: “ <i>Assessing the conservation value of small patches for primates</i> ”. Role: Advisor.
September 2023- September 2024	MSc student: Katia Repullés. MSc in Primatology, Universidad de Girona (UdG), Spain. Project: “ <i>Effects of habitat loss and fragmentation on Alouatta guariba</i> ”. Role: Advisor.
September 2022- September 2024	MSc student: Paulina Aguirre García. MSc in Neuroetology, Universidad Veracruzana (UV), Mexico. Project: “ <i>Global drivers of primates’ road-kills</i> ”. Role: Advisor.

Participation in students’ committees

2020-2024	PhD Student: Eduardo José Pinel Ramos PhD in Behavioral Ecology, Neuroetology, Universidad Veracruzana (UV), Mexico.
2022-2024	MSC Student: Eric Maquignaz MSc in Ecology, Carleton University, Canada.

Teaching

- 2021-2024** Teacher in “*Foundations of landscape ecology applied to the study of primates*”. Universitat de Girona (UdG), Spain.
- 2022** Teacher in “*Understanding and measuring patch and landscape metrics in ecological studies*”. Universidad Michoacana, Mexico.
- 2020-2021** Teacher in “*Advancements in fieldwork methods for behavioral biology*”. Universidad Veracruzana (UV), Mexico.

Languages

Spanish and **Catalan** as native language.

English Overall IELTS Band 8 (of 9). October 2023.

Currently learning **French** (9-hour weekly course offered by the government of Quebec, Canada).

Basic knowledge of **Italian** and **Portuguese**.

Peer review of Manuscripts

Reviewer for the following journals:

Biological Conservation, IF: 5.9

Biological Reviews, IF: 14.3

Caldasia, IF: 0.6

Climatic Change, IF: 4.8

Ecological Modelling, IF: 3.1

Environmental Science and Pollution Research, IF: 5.8

Global Ecology and Biogeography, IF: 6.9

International Journal of Primatology, IF: 2.6

Journal of Applied Ecology, IF: 5.7

Nature Communications, IF: 16.6

Perspectives in Ecology and Conservation, IF: 4.7

Trends in Ecology and Evolution, IF: 16.8

Trees, forests and people, IF: 2.7

Zoology, IF: 1.7

Editorial

Member of editorial board for the journal *Frontiers in Environmental Sciences*, IF: 4.6

Computational Skills

Good knowledge

R
ArcGIS
Patch analyst

Intermediate knowledge

Google Earth Engine
CiteSpace

Other

October **2023-** **Communications Chair** of the Carleton University Postdoctoral
Present Union.

January **2023-** **Lead of the weekly scientific discussion sessions** of the
January 2024 Geomatics and Ecology Lab, Carleton University.
